NOTICE: IF YOUR CHILDREN ARE PLACED IN FOSTER CARE, YOU MAY LOSE YOUR RIGHTS TO YOUR CHILDREN AND YOUR CHILDREN MAY BE ADOPTED WITHOUT YOUR CONSENT.

IF YOUR CHILDREN STAY IN FOSTER CARE FOR 15 OF THE MOST RECENT 22 MONTHS, THE AGENCY MAY BE REQUIRED BY LAW TO FILE A PETITION TO TERMINATE YOUR PARENTAL RIGHTS AND MAY FILE BEFORE THE END OF THE 15-MONTH PERIOD.

TO THE FAMILY COURT:

The undersigned Petitioner respectfully alleges that:

1. Petitioner, the Orange County Department of Social Services, is a:
 duly authorized agency having its office and place of business at Box Z, Quarry Road, Goshen, New York 10924.

2. The children who are the subject of this proceeding are:

<u>Name</u>	<u>Sex</u>	<u>Date of Birth</u>	<u>Custodial Parent/Guardian</u>	<u>Child's Address</u>
██████████ Teitelbaum	M	██████████	Miriam Teitelbaum Jacob Teitelbaum	c/o Katz 3 Hayes Court Monroe, NY 10950
██████████ Teitelbaum	M	██████████	Miriam Teitelbaum Jacob Teitelbaum	c/o Rubenstein 3 Iron Hill Plaza, #201 Monroe, NY 10950

3a. Upon information and belief, the father and mother of the children and their respective residence addresses are:

<u>Name of Child</u>	<u>Name of Parent</u>	<u>Parent's Address</u>
[REDACTED] Teitelbaum	Miriam Teitelbaum Jacob Teitelbaum	c/o New York Presbyterian Hospital 21 Bloomingdale Road White Plains, NY 10605 OR: 20 Getzel Berger Blvd., Apt. 104 Monroe, NY 10950
[REDACTED] Teitelbaum	Miriam Teitelbaum Jacob Teitelbaum	20 Getzel Berger Blvd., Apt. 104 Monroe, NY 10950

b. Upon information and belief, the persons legally responsible for the care of said children are: Miriam Teitelbaum and Jacob Teitelbaum, who reside at the above-stated address.

4. Upon information and belief, the children are neglected children on the following grounds and based upon the following facts:

Upon information and belief, the Respondent mother suffers from mental illness which renders her incapable of providing adequate guardianship and supervision to the subject children. Upon information and belief, the Respondent mother is currently hospitalized at New York Presbyterian Hospital for psychiatric treatment.

Upon information and belief, the Respondent father fails to provide adequate guardianship to the subject children in that in or about April 2010, the subject child, [REDACTED], age [REDACTED], ingested Children's Tylenol that the Respondent father left improperly closed within the child's reach. When asked how the child got the medication, the Respondent father merely replied, that he had given the subject child, [REDACTED], age nine (9) months the medication and that [REDACTED] somehow got it."

Furthermore, upon information and belief, on or about April 14, 2010, the Respondents' neighbors went to the Respondents' home upon hearing the sound of children crying. The children were found alone in the home. The neighbors took the children to their home as the Respondents whereabouts were unknown. ~~The Respondent father did not begin looking for the children until approximately two hours later.~~

Individuals within the community expressed their concerns regarding the children's safety and the Respondents' inability to properly care for and provide adequate guardianship and supervision and a safety plan was developed with the Respondents whereby the children would stay with relatives and neighbors. On or about April 27, 2010, the Respondent father demanded the return of the children and refused to continue with the current safety plan or devise another safety plan for the children.

Based upon the foregoing the subject children should be adjudged neglected children, neglected by the Respondents, Miriam Teitelbaum and Jacob Teitelbaum.

5. Upon information and belief, the Respondents: Miriam Teitelbaum and Jacob Teitelbaum, the parents of the children are the persons who are responsible for the neglect of the children.

6a. On April 27, 2010, the following children, [REDACTED] Teitelbaum and [REDACTED] Teitelbaum, were temporarily removed from the care of the above-named Respondents on the basis of the foregoing facts and in accordance with:

on an emergency basis without a court order pursuant to Family Court Act §1024. There was no time to obtain a court order because: the children were at imminent risk.

7a. Continuation in, or return to, the children's home would be contrary to the best interests of the child because:

This assertion is based upon the following information:

Report of Suspected Child Abuse or Neglect

b. Reasonable efforts, where appropriate, to prevent or eliminate the need for removal of the child from the home:

were made as follows: The family was involved with Community based services within the Kiryas Joel community. The family was also receiving preventive services through Berkshire Farms. A preventive services caseworker, family development specialist and a housekeeping specialist were assigned to assist the family.

The family and the community established a safety plan whereby the children would be cared for by the Respondents' relatives and neighbor and the Respondent father no longer wants them to care for the children. On or about April 27, 2010, the Respondent father demanded the return of the children and refused to develop another safety plan for the children.

This assertion is based upon the following information:

Report of Suspected Child Abuse or Neglect

c. Based upon Petitioner's investigation:

The following person: Chaya Katz is a relative with whom the child may appropriately reside.

Such person:

may be a resource but not yet determined whether as a foster parent or custodian.

The following person: David Rubenstein is a suitable person with whom the children may appropriately reside.

Such person:

may be a resource but not yet determined whether as a foster parent or custodian.

d. Imminent risk to the children would not be eliminated by the issuance of a temporary order of protection or order of protection directing the removal of the Respondents from the children's residence.

8. The subject child is not a Native-American child who is subject to the Indian Child Welfare Act of 1978 (25 U.S.C. §§ 1901-1963).

9. Petitioner is required to obtain education information and to provide that information to foster care providers and other parties to this proceeding. Unless otherwise obtained by release, Petitioner thus seeks a court order to obtain the education records (including special education and early intervention records) of each child named in this Petition who is not placed with a parent(s)/legal guardian(s), and a court order to provide such records to service providers where such records are necessary to enable the service provider to establish and implement a plan of service.

WHEREFORE, Petitioner requests that an order be issued determining the children to be neglected and otherwise dealing with the children in accordance with the provisions of Article 10 of the Family Court Act.

THE PERMANENCY HEARING SHALL BE HELD ON:¹ JUNE 29, 2010 AT 1:30 P.M.**

A Petition under Article 10 of the Family Court Act having been filed with this
Court alleging that the above-named children are: neglected;

And the children:

having been removed prior to this hearing pursuant to Family Court
Act: §1024

¹Specify a date certain not more than eight months from the date of removal. If the child has a sibling or half-sibling removed from the home, whose permanency hearing is scheduled before this Court, the date certain shall be the same as the date certain for the sibling's or half-sibling's permanency hearing, unless the sibling or half-sibling was removed on a juvenile delinquency or PINS petition or unless he or she has been freed for adoption. If the child is finally discharged from care on the scheduled date, the permanency hearing shall be cancelled.

And a preliminary hearing having been held by this Court pursuant to §1027 of the Family Court Act and the following persons having appeared to determine whether the child's interests require protection pending a final order of disposition:

- Children's attorney: Kim Pavlovic, Esq. of Children's Rights Society, Inc.
- Petitioner: David Darwin, Esq., County Attorney, by Stephanie Bazile, Esq., of counsel

The Court finds and determines that:

I. Criteria for Temporary Removal of Children:

A. The children were removed on an emergency basis, pursuant to Family Court Act §1024;

B. The children appear to so suffer from abuse or neglect by the parents; and

C. Immediate removal or, if already removed, continued removal, of the children is necessary to avoid imminent danger to the children's life or health.

II. Required "Best Interests" and "Reasonable Efforts":

A. Continuation in, or return to, the children's home would be contrary to the best interests of the children because: the Respondent mother suffers from mental illness that renders her incapable of providing adequate guardianship and supervision to the subject child. Respondent mother currently hospitalized at New York Presbyterian Hospital. Respondent father did not close Children's Tylenol properly and subject child [REDACTED] age two (2) years and [REDACTED] age nine (9) months, were left in the home alone. Neighbors heard them crying and went to home. It wasn't until two (2) hours later that Respondent father went to look for the children.

This determination is based upon the following information:

- Testimony of: Caseworker Christine Brunet

B. Reasonable efforts, where appropriate, to prevent or eliminate the need for removal of the children from the home, and, if the children were removed prior to the date of this hearing, to return them home safely:

were made as follows: family was receiving preventive services through Berkshire Farms. A Preventive Services caseworker, Family Development Specialist and a housekeeping specialist were assigned to assist the family.

This determination is based upon the following:

- Testimony of: Caseworker Christine Brunet

III. Findings Regarding Alternatives to Removal to Foster Care:

A. Based upon the investigation conducted by the Commissioner of Social Services,

The following person is a suitable relative with whom the children may appropriately reside: Chaya Katz.

Such person:

seeks approval as a foster parent in order to provide care for the children;

The following person is a suitable person with whom the children may appropriately reside: David Rubenstein.

Such person:

seeks approval as a foster parent in order to provide care for the children;

B. Imminent risk to the children would not be eliminated by the issuance of a temporary order of protection or order of protection directing the removal of: the Respondents from the children's residence.

NOW, therefore, it is:

ORDERED that the application for continued removal of the children is hereby GRANTED; and it is further

ORDERED that pending further proceedings, the children shall be placed in the custody of:

the Commissioner of Social Services of Orange County; and it is further

ORDERED that if the child(ren) abscond from the above-named custodial person or facility, written notice shall be given within 48 hours to the Clerk of Court by the custodial person or by an authorized representative of the facility, stating the name of the child, the docket number of this procedure, and the date on which the child ran away; and it is further

ORDERED that if the children remain in foster care or is directly placed pursuant to §1017 or §1055 of the Family Court Act, a permanency hearing shall be held on: June 29, 2010 at 130 p.m.

David Darwin, Esq., County Attorney, by Stephanie Bazile, Esq., of counsel, attorney for the Petitioner

Child's attorney (Law Guardian): Kim Pavlovic, Esq. of Children's Rights Society, Inc. given notice appeared

Respondent: Miriam Teitelbaum given notice appeared with counsel: Maria Patrizio, Esq. of Legal Aid Society of Orange County, Inc.

Respondent: Jacob Teitelbaum given notice appeared with counsel: John F. X. Burke, Esq.

Other: Foster parent Chaya Katz, in person

Other: Foster parent David Rubenstein, in person

And notice of the permanency hearing having been sent not less than 14 days in advance of the hearing to the following former foster parents, who provided care for the child in excess of one year:

And the matter having duly come on to be heard, and the above-named persons appearing having been given notice and an opportunity to be heard, as indicated above, and the Court having considered the position and information provided by the:

local department of social services;

And the children having been represented by an attorney and the Court having considered the position of the children regarding the permanency plan;

The Court, after having made an examination and inquiry into the facts and circumstances of the case and into the surroundings, conditions, and capacities of the persons involved, finds and determines the following:

The Court finds and determines that:

I. Required "Best Interests" and "Reasonable Efforts" Findings for Newly-Removed Children

A. Continuation of the children in, or return of the children to, the children's home would be contrary to the best interests of the children because: subject child, [REDACTED] ingested Tylenol because the Respondents failed to properly secure the medication. The subject child, [REDACTED] age eight (8) months, was left in the home unsupervised.

This determination is based upon the following information:

- Petition
- Case Record

B. Reasonable efforts, where appropriate, to prevent or eliminate the need for removal of the children from the home, and if the children were removed without court order prior to the date of this hearing, to return them home safely:

were made as follows: The family was involved with Community based services within the Kiryas Joel community. The family was also receiving preventive services through Berkshire Farms. A preventive services caseworker, family development specialist and a housekeeping specialist were assigned to assist the family.

The family and the community established a safety plan whereby the children would be cared for by the Respondents' relatives and neighbor and the Respondent father no longer wants them to care for the children. On or about April 27, 2010, the Respondent father demanded the return of the children and refused to develop another safety plan for the children.

This assertion is based upon the following information:

- Report of Suspected Child Abuse or Neglect
- Case record

II. Findings Regarding Alternatives to Removal to Foster Care

A. Based upon the investigation conducted by the Commissioner of Social Services, There is no non-respondent parent, relative or suitable person with whom the children may appropriately reside.

B. Imminent risk to the children would not be eliminated by the issuance of a temporary order of protection or order of protection directing the removal of: the Respondents from the children's residence.

III. Required Findings Regarding Efforts to Further Permanency Plan

A. Reasonable Efforts to Return the Children Home

Where the children were removed from the home, reasonable efforts, where appropriate, to return the children home safely:

were made as follows: The family is provided with casework counseling and educational and mental health services. Respondent mother sees a therapist once per week and her medications are being monitored. The family was provided a well-care nurse who went to their home three (3) times per week. A referral was made for the family to be assigned an Intensive Family Development Specialist.

This determination is based upon the following information:

- Permanency Report, sworn to on: July 22, 2010
- Testimony of: Michelle Scarpone

NOW therefore, upon findings made in the

fact-finding dispositional and permanency hearings; and upon all proceedings had herein, it is hereby

A. Order of Fact-finding or Dismissal

ADJUDGED that facts sufficient to sustain the petition herein have been established in that Respondent Jacob Teitelbaum voluntarily, intelligently and knowingly consented to the entry of an order of fact-finding without admission pursuant to Family Court Act §1051(a), and the Petitioner, Children's attorney and all other parties having consented to the entry of such order of fact-finding as well; and it is hereby

ADJUDGED that the above-named children are

neglected as defined in §1012 of the Family Court Act by: the Respondent, Jacob Teitelbaum;
